Religion

Only ask about religion or faith if a service will not work without this information.

Use language that is culturally inclusive and appropriate for people of different faiths.

Make adjustments for people that need to use a service — for example, wearing a head covering in a photo for religious reasons.

Inclusive language by design

Inclusive language builds trust and helps us communicate more clearly

Use the Home Office Design System to learn how to write for and about diverse groups of people: design.homeoffice.gov.uk/accessibility/inclusive-language
